Inaugural hearing

Members of the Qatar Financial Centre (QFC) Civil and Commercial Court judiciary, (from left) Justice Ronald Sackville, Justice Sir Peter Gibson and Justice Barbara Dohmann, during the court's inaugural hearing earlier this week. The judges, led by president of the court and former chief justice of England and Wales Lord Woolf, played a significant role in the highly acclaimed Qatar Law Forum which closed earlier this week, attracting top international legal figures to Doha to explore methods of bolstering the rule of law, a QFC official said.
