## Financial authority in lecture pact with QU

The Qatar Financial Centre Regulatory Authority (QFCRA) and Qatar University (QU) have agreed to strengthen their relationship with several joint activities. The agreement would see QFCRA specialists providing several lectures to QU's student body with reciprocal presentations made to QFCRA staff by academics at the University. "The QFCRA has been extremely impressed with the students and the interest they are showing in risk management and other essential financial regulatory procedures. We welcome their engagement with us and look forward to strengthening our relationship with QU," said QFCRA Associate Director, Kim Van Dyke.
